Our MUSA Martial Arts Summer Day Camp is a weekly camp designed especially for our junior members. Our camp emphasizes development of self-confidence, independence, leadership, coordination and discipline, all in a fun and loving environment. Each day is packed with different activities and each week is designed around fun themes to keep participants learning about new and different subjects. During the studio sessions, students receive specialized training in Martial Arts and are exposed to exciting games and drills for improving their speed, reaction time and techniques. Students also receive special training in the basics of weapons.
